The Petition of Richard Henderson of Bladensburg was read the first time and ordered to lie on the Table. (N<sup>o</sup>. 8)  
Turbull Wright and Waller Tally have leave of absence.

On reading, and considering the Petition of Richard Henderson of Bladensburg, setting forth his apprehensions, that some people of the neighbourhood of that place, if not advised to the contrary by this Convention may do violence to his person or property, on account of his becoming security for the appearance of George Munro, who hath absconded. It is Resolved to be the sense of this Convention, that all persons refrain from all manner of violence to the said Richard Henderson and his property, on the occasion before mentioned; and that the Committee of Observation for Prince Georges County are hereby empowered to determine and certify to this Convention, whether the said Richard Henderson did collude with, or in any manner promote the said George Munro in his said Escape; on which this Convention will take order therein. And this Convention strongly impressed with an idea of the confusion and disorder which must inevitably ensue, and the disunion which must necessarily follow, from the people at large being collected and inflicting punishments before a cool and temperate investigation of the case, and consequently the injury which may thereby done to the common cause of Liberty, conjured that the virtue of the people, and their attachment to the liberties of America, will guard them against a commission of the excess apprehended.

Convention adjourn till tomorrow morning 8 o'clock.
